

Fishing Information

We have 3 lakes at Yaxham Waters Holiday Park: Lakeside Lake, Priors Field Lake, and Meadow Field Lake. All lakes contain the following coarse freshwater fish: Carp, Rudd, Tench, and Golden Tench. Our nearest tackle shop is Myhills (2 miles away) in Dereham (www.myhillspetandgarden.co.uk).

Where to Fish:

- Lakeside Lake – you can fish from the far-side of the lake or from the island.
- Priors Field Lake – you can fish anywhere around this lake.
- Meadow Field Lake – you can fish along the edge opposite the lodges.

If you are staying in a lodge directly on the water's edge (LS1-LS7B, MF6-MF9) you may fish in front of the lodge which you are occupying as well as the locations listed above.

Fishing Licences:

Fishing is free of charge to anyone staying on our holiday park; however, fishing licences must be purchased before commencing fishing.
